The Chinese Grammar Wiki began in 2012 as a modest website with a bold vision: to record all of the grammar structures in the Chinese language, categorize them by difficulty level, explain each one in clear, jargon-free English, and link them all together. Initially the wiki was a resource exclusively for the clients of AllSet Learning's Shanghai-based learning consultancy. But five years later, its popularity among learners has exploded, and the Chinese Grammar Wiki has become the #1 online resource for Chinese grammar among independent learners and college students alike. This book is the second major volume, covering all essential grammar points that an intermediate learner needs to master. Together with the Elementary and Upper Intermediate volumes, the series will comprise the most complete single resource on Chinese grammar in print. This volume features: - 145 B1 (Intermediate) grammar points- 200+ separate grammar structures- 1,500+ examples (with pinyin and English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design**

Joe is a young graduate and has just landed a lucrative job with a well-known company. He is very happy of course! His parents are very proud of him and his siblings hope that he is going to spoil them with his first salary. Expectations are very high but something happens on Joe's first day at work. What is it? Will Joe be able to keep his job? Read "A Job for Joe" to find out. Once you have finished reading this heart-warming short story, you can read ten others in this book. In those stories you will find interesting characters and thought-provoking themes. In any case, you will learn a lot of English expressions and vocabulary. You will also encounter grammar in context, which will enable you to improve your level of English while learning about other cultures as well. Happy reading! Level A2-B1 About Learn English With Africa and the author. Learn English With Africa was born out of the need to offer teaching and learning materials that are both visually and emotionally appealing. It draws upon Africa's vibrant colours, story-telling traditions and tales of courage and resilience. Thandi Ngwira Gatignol is the author of this book. She hails from Malawi, the warm heart of Africa. Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.
